A vertical decorative banner with a red-to-white gradient background. It features several white horse silhouettes in various poses (galloping, rearing) along the left side. On the right side, there is a large red elephant silhouette with a blue top section containing three white stars, representing the Republican Party. The text "Wild Horse Township Republican Club" is written in a large, red, bold, sans-serif font across the top right. Below the elephant logo, there is a quote in italics: "Bringing together like-minded conservative Republicans to affect public debate & policy in the Wild Horse Township of St. Louis County".

Who We Are

Not all Republicans are alike. We are conservative Republicans who believe in the principles of our founders and who seek the promotion of those who share our values into public office. We believe in:

- Limited Government
- State Sovereignty
- The Rule of Law
- Personal Responsibility
- The Right to the Fruits of Our Labor
- The Supremacy of The Family
- The Inherent Value of Human Life
- The Necessity of Freedom

The Club is organized as a Political Action Committee (PAC) under Missouri law.

Who Can Join The Club

In order to be a voting member at scheduled business meetings of the Wild Horse Township Republican Club, you must reside within the borders of the township itself or be an elected Republican official whose district encompasses a part thereof.

You do not have to be a voting member in order to attend our meetings. We invite all Republicans living in the township to attend, and encourage them to bring like-minded friends and family members with them. An informed electorate is the best defense against tyranny.

What We Do

The Club meets once a month on the 3rd Saturday at 8:00 a.m. at

**Nantucket Club House
16125 Port of Nantucket Dr.
Wildwood, MO**

Various issues facing government are discussed and speakers are invited to present their opinions. We provide a venue for Republican candidates to introduce themselves and make their positions known to the voters.

We inform our members about local Republican events.

Several times a year we meet in conjunction with other west county townships to hear special speakers.

We participate in the Republican Party Caucus process during Presidential election years and provide input to the state party's platform.

We in America do not have government by the majority. We have government by the majority who participate.

The will of the people is the only legitimate foundation of any government, and to protect its free expression should be our first object.

Thomas Jefferson

The marvel of all history is the patience with which men and women submit to burdens unnecessarily laid upon them by their governments.

George Washington
